A Lot owned by the Declarant or the Developer shall not be subject to assessments.

7.2 Expenses and reserves. The assessment levied by the Association shall be used to meet the expense of improvement and maintenance of the Conservation Area and Maintenance Area and the maintenance of signage and monuments (including watering) and such other Association expenses which shall include, without limitation, the expense of all insurance, engineering, legal, professional and management fees, repair, replacement, maintenance and other charges required or permitted by this Declaration and the expense of those items that the Board shall determine to be necessary or desirable to meet the purposes of the Association, including without limitation the establishment and maintenance of a Contingency and Replacement Reserve.

Until the Board establishes its budget and Estimated Cash Requirement (hereinafter defined), the assessment shall be \$200.00 per Lot payable on January 1, 2000 and on the 1st of each January thereafter. Anything to the contrary notwithstanding, the Developer shall collect from the closing with an Initial Purchaser of any Lot the flat sum of \$100.00 as an assessment for the year of closing which amount shall be deposited into general Association funds and said sum shall be non-refundable.

The Board shall within five (5) days of written request of an Owner furnish a certificate in writing signed by an officer or agent of the Association, setting forth whether the assessments on his Lot have been paid. Such certificate shall be conclusive evidence of payment or non-payment of any assessment thereon.

7.5 Failure to establish assessments. The failure or delay of the Board to prepare or serve the Estimated Cash Requirement on any Owner shall not constitute a waiver or release of such Estimated Cash Requirement as herein provided, as and when the Estimated Cash Requirement shall be determined, and, in the absence of the preparation of the Estimated Cash Requirement, the Owner shall continue to pay his share of such Estimated Cash Requirement at the then existing annual rate established for the previous calendar year (or \$200.00 in the event no Estimated Cash Requirement has been established), subject to adjustment at such time as the Estimated Cash Requirement has been prepared and the Owners have been notified thereof.

effective and fully payable ten (10) days after the delivery or mailing of any such notice of assessment.

(c) The Board or the Developer shall collect at each closing with an Initial Purchaser of any Lot the sum of \$150.00 which shall be deposited into the Contingency and Replacement Reserve and said sum shall be non-refundable. To the extent permitted by any decision or any statute or law now or hereafter effective, the amount of any delinquent and unpaid charges or assessments, and interest, costs and fees (including reasonable attorney's fees) as above provided, shall be and become a lien or charge against the Lot of any such Owner when due; and, such lien may be foreclosed by an action brought in the name of the Board as in the case of foreclosure of mortgage liens against real estate. The Board and their successors in office, acting on behalf of the other Owners,

shall have the power to bid in the interest so foreclosed at foreclosure sale, and to acquire and hold, lease, mortgage and convey any interest so acquired. To the fullest extent permitted by law, any court shall be authorized to restrain the defaulting Owner from reacquiring his interest at such foreclosure sale.
